The Municipality of Central Huron reserves the right to not accept the lowest price or any quotation; and change, suspend or cancel (in whole or in part) any aspect of the RFQ process at any time prior to the acceptance of any quotation.

Your quotation must allow for all obligations in providing the product or service. Central Huron's expectation is that the prices quoted are the total price payable. Information in this RFQ is provided for the sole purpose of preparing and submitting a quotation and the information will be kept confidential and will not be used for any other purposes. This is not a formal tender process and creates no legal obligations or liability in relation to this RFQ.

If you would like to submit a quote, please fill out all the sections below. Please provide pricing for at least one Trommel. Please note that price is not the only metric that will be evaluated in the purchase of the Trommel and machine condition and hours will play an equally important role when selecting the appropriate machine for purchase.

It is at the sole discretion of the Municipality of Central Huron and the Roads Manager as to which Trommel quoted is the best value to the Municipality and your signature at the end of the quotation acknowledges this.
